GENERAL INFORMATION

The **New York State School Tax Relief (STAR) Program** provides an exemption from school taxes for owner-occupied, primary residences where the combined income of the owners and spouses who reside on the property does not exceed \$500,000. Senior citizens with combined 2009 incomes that do not exceed \$79,050 may qualify for a larger "Enhanced" exemption. **Senior citizens who would like to continue receiving Enhanced STAR in future years without having to reapply and submit copies of their tax returns to their assessor every year are invited to sign up for the STAR Income Verification Program. Please see Form RP-425-IVP for more information.** Seniors who do not choose to enroll in the income verification program must reapply each year to keep the Enhanced exemption in effect. If you are receiving the "Basic" exemption, you usually do not need to reapply in subsequent years, but you must notify the assessor if your primary residence changes.

Deadline: The application must be filed on or before the applicable "taxable status date", which is generally March 1; in Westchester towns it is either May 1 or June 1 - contact local assessor; in Nassau County it is January 2, and; in cities, check with your assessor. For further information, ask your local assessor.

Application Instructions: Print the name and mailing address of each person who both **owns and primarily resides** in the property. (If the title to the property is in a trust, the trust beneficiaries are deemed to be the owners for STAR purposes.) There is no single factor which determines whether the property is your primary residence, but factors such as utility bills, voting and automobile registrations, and the length of time you occupy the property each year may be relevant. The assessor may ask you to provide proof of residency and ownership. For the enhanced exemption, proof of age may also be required. The parcel identification number may be obtained from either the assessment roll or your tax bill.
