**Swimming Facility for Camp**

- Possibly use Windmill Club for the older campers. They are generally in favor, have minor details to work out. They would like a decision from us by 3/1 and a contract by 3/15.
- All of the details are worked out with Twin Oaks. They are just waiting for an answer from us; they didn't give us a specific decision date.
- John Cronin said the Town Board is working hard to get Erhman Pool open for this summer, but it's very complicated.
- Both alternatives are good ones in the event Erhman Pool doesn't work out.

**Recreation Brochure**

- Talk of printing the brochures ourselves possibly with Town copiers.
- Possibly using high school students for typesetting and artwork design.
- Use students to do videos and get more involved to promote recreation programs.
- Town Board will vote on brochure costs.
- Town merchants to possibly pay for the brochure; set up a committee for advertising possibilities; form a fundraising committee.
- A motion was put forth to the Rec Board that a minimum amount of brochures should still be printed professionally and it was unanimously approved.

**Other News**

- Frank Sampogna is retiring. His birthday is in June; his retirement date will be June 16<sup>th</sup>, right before Camp Chippewa begins.
- Very important to replace him. Frank was at the highest level. We will reach out to the top 3 candidates on the civil service list.

**Change of Senior Shopping Schedule as a Result of A&P Closing**

- Joyce, the bus driver, is only approved 20 hours per week. The bus only holds 12 people.
- On Wednesdays Joyce will pick up Armonk people, drop them off at Stop & Shop, pick up NWP people, drop them off at the Community Center, go back to Stop & Shop, take people home; all of this done in one hour.
- On Thursdays Joyce will take Armonk people to Stop & Shop and bring them back in one hour.

**Fundraising Consolidation and Guidelines for Fundraising**

- Many people are out fundraising, ex. ABL letter.
- Raising money on our property – it's costing us money in repairs and maintenance. We should be getting money back to cover our expenses.
- We should get a percentage, or costs covered. Do we get to see finances? There needs to be some more accountability.

- Need to get a core group of kids to put it together and advertise.
- Target 7<sup>th</sup> thru 9<sup>th</sup> grades.
- Use text messaging and Facebook as tools.
