

Absolutely No Plastic Bags

**All recyclables must be loose,
unbagged and placed in
recycling containers.**

Effective January 1, 2018, recyclables (other than shredded paper) cannot be picked up if they are in a plastic bag.

Enclosed with this flyer is a self-adhesive recycling label that you can place on a garbage can or other container that you want to use for recyclables. Alternatively, you can purchase a plastic recycling bin at the Town Clerk's office.
