RPRC DETERMINATION LETTER

Project Name: MILLER
Street Location: 15 MIDDLE PATENT RD
Zoning District: R-2A Property Acreage: 20.63 Tax ID: 95.03-1-44
RPRC DECISION: ☐ Requires Planning Board Review ☐ Requires Architectural Review Board
☐ Requires Conservation Board ☐ Requires Zoning Board of Appeals
☒ Submit to Building Department ☐ Requires Admin Wetlands Permit
Date: May 17, 2016

The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on May 17, 2016.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The site plan depicts proposed stone outcroppings. The Applicant should explain these features and provide a detail.
- The site plan depicts proposed gravel walkways, proposed stone outcroppings as well as a proposed stone patio. It appears that all of these features would be considered gross land coverage pursuant to the Town of North Castle Town Code.
- The gross land coverage calculations backup exhibit on plan L1.12 shall be updated to include the above referenced features.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
