RPRC DETERMINATION LETTER

Project Name: SALAMAN - Fence

Street Location: 2 HEMLOCK RISE

Zoning District: R-2A Property Acreage: 2.10 Tax ID: 94.04-2-15

RPRC DECISION: ☐ Requires Planning Board Review ☐ Requires Architectural Review Board
☐ Requires Conservation Board ☐ Requires Zoning Board of Appeals
☒ Submit to Building Department ☒ Requires Admin Wetlands Permit

Date: May 16, 2018

The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on May 15, 2018.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The Applicant will need to secure an administrative wetlands permit since a portion of the fence is within 100 feet of a stream.
- The pool fence depicted surrounding the pool has been removed. The Building Department shall confirm that the existing and proposed fencing meets the minimum pool enclosure requirements.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.

Adam R. Kaufman, AICP
Director of Planning
