The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on November 14, 2017.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- ) It is recommended that the Applicant consider a matte finish to the proposed vinyl fence and give consideration to a green, brown or beige vinyl fence color.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
