The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on July 6, 2016.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- Submission of site plan depicting portico meets all minimum required setbacks.
- Submission of Gross Floor Area Calculations Worksheet (can base upon existing floor area determined by Tax Assessor). Worksheet shall include new portico area as new floor area.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
