The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on June 19, 2018.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The scope of work on sheet A-1 does not match the plans, the note shall be corrected (wood framed composite deck not proposed).
- The drawing list on sheet A-1 does not match the plans submitted for review. The list shall be corrected.
- All plans shall be signed and sealed by the Design Professional.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
