The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on June 1, 2016.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The Building Department shall determine the need to refer the application to the Westchester County Department of Health (WCHD) for the bedroom count and/or additional floor area.
- Submit gross floor area backup data.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
