RPRC DETERMINATION LETTER

Project Name: GLICKMAN - PORCH ADDITION
Street Location: 22 SUNRISE DR
Zoning District: R-1A Property Acreage: 1.28 Tax ID: 101.03-2-42
RPRC DECISION: ☐ Requires Planning Board Review ☐ Requires Architectural Review Board
☐ Requires Conservation Board ☐ Requires Zoning Board of Appeals
☒ Submit to Building Department ☐ Requires Admin Wetlands Permit
Date: March 3, 2016

The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on March 1, 2016.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The GFA Worksheet shall be revised to include the proposed floor area associated with the porch.
- The site plan on plan 3 shall be revised to dimension the setback of the proposed covered porch to the front property line. The plans should clearly demonstrate that the proposed setback of the porch meets the minimum front yard setback of 50 feet.
- The site plan on plan 3 shall be revised to contain a zoning conformance chart.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.

Adam R. Kaufman, AICP
Director of Planning
