The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on May 19, 2015.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- Submission of a proposed fence detail to the satisfaction of the Building Department.
- The Building Department shall confirm that the existing shed on the property has all necessary permits, if required.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
