The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on November 12, 2014.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The plan shall delineate the limits of each fence type.
- Show gate locations on the plan.
- Submit details for all three fence types.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
