Date: December 8, 2015

The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on December 8, 2015.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- Submit fence and gate cut sheet from manufacturer and confirm fence and gates meet Town Code requirements.
- Building Permit states that Applicant is doing work, yet paperwork states that "King Fence" will be performing work. Building Department to collect necessary license and insurance info.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
