

NORTH CASTLE CITIZENS CORPS COUNCIL

Pet Bag:

- Food and bowl
- Water and bowl
- Bedding
- Medications
- Chew toy or other familiar object
- License, collar or harness and lead

Your Emergency Plan:

Evacuation and communication procedures may be necessary. Discuss the plan with all family members. Decide who will do which tasks. Make certain you have a “go bag” ready for all family members.

Decide where to meet family members, especially if separated. In the event you cannot remain at home, go to the NC4 Shelter. Remember to bring medications, identification and any other necessary materials, including games and/or a book.
