

Change in Electronic Waste and Scrap Metal Recycling

- Effective July 1, 2017, North Castle residents can recycle **ONLY electronic waste** at the North Castle E-Waste Drop Off Center. The Center will no longer be accepting scrap metal. E-waste can be dropped off in the Highway Department the **first Saturday of each month**, from 9am to 1pm. **Drop off of e-waste is limited to Town of North Castle residents and proof of residency will be required.**
- **Electronic waste**, as defined by the NYS Electronic Equipment Recycling and Reuse Act, must be recycled in an environmentally responsible manner. Waste haulers, such as Suburban Carting, are prohibited from picking up residential electronic waste at the curbside. For this reason, the Town of North Castle is providing residents a monthly opportunity to recycle the following items as specified by law. Our electronic waste vendor is Regional Computer Recycling & Recovery.

Computers**

Televisions

Cathode ray tubes

Small-scale servers

Computer peripherals (*including any cable, cord, or wiring permanently affixed to or incorporated into the computer peripheral.*)

- Monitors
- Electronic keyboards
- Electronic mice or similar pointing devices
- Facsimile machines, document scanners, and printers (*only those intended for use with a computer and weighing less than 100 lbs.*)

Small electronic equipment (*including any cable, cord, or wiring permanently affixed to or incorporated into the small electronic equipment.*)

- VCRs
- Digital video recorders
- Portable digital music players
- DVD players
- Digital converter boxes
- Cable or satellite receivers
- Electronic or video game consoles

Additionally, Regional Computer Recovery & Recycling will collect the following items:

- Cell phones***
 - Universal power supply battery back-ups
 - Typewriters
 - Telephones
 - Telecommunications equipment
 - Circuit boards, cables and wires
 - Ink cartridges
 - Electric motors
 - AV equipment
 - Radios and speakers
 - Cameras
 - Rechargeable power tool batteries
-
- **Scrap metal can be disposed of with the trash, however it will not get recycled this way. To recycle, bring scrap metal to a scrap metal recycler such as RB Scrap Iron, located at 730 Saw Mill River Rd., Yonkers, NY. (www.RBSCRAPIRON.com)** Scrap metal includes such items as metal file cabinets, metal bed frames, aluminum siding, outdoor grills, metal fence pieces, hot water tanks and heaters, basketball hoops, antennas, metal appliances (washers, dryers, stoves, dishwashers, refrigerators*, freezers*, air conditioners*, metal toasters, mixers, microwaves, waffle irons, table top grills)and any other unwanted scrap metal items or pieces.

Collection will be limited to the above-mentioned items. Decisions of the North Castle employee are final. The Recycling Center is limited to North Castle residents only. Call the Town Clerk's office, 273-3321, with further questions.

*Freon **MUST** be removed prior to drop-off.

** To prevent identity fraud, remember to remove any stored personal information before drop-off. Simply deleting files does not completely erase the information on your computer's hard drive.

***To prevent identity fraud, remember to delete personal information, remove SIM card, and contact your service provider or cell phone manufacturer for instructions on how to clear data.

Household kitchen appliances are **NOT** accepted as electronic waste.
Treadmills should be left at curbside.
