November 2016

Dear Resident -

GREETINGS!!!! Another Winter Season is upon us; as we go through these cold months, it's so important to remember to keep on recreating!!! Although it may be chilly outside, there's plenty to do inside as an alternative. For those of you who don't mind the cold, the outdoors also offers plenty of opportunity as well!! The important thing to remember is to **STAY ACTIVE**, whatever that means for you. Whether it's a Yoga or Karate class; an open gym or participating in one of our basketball programs – there's plenty of things to do until the warmer weather returns. Our parks and facilities are yours – take advantage of them!!!

This brochure will give you a glimpse of the activities we have to offer; we hope you decide to take advantage of them as we look forward to serving you! If there is an activity that you'd be interested in taking but we don't currently offer, please feel free to give us a ring and let us know about it – we may be able to in the future!

Until next time –

A handwritten signature in blue ink that reads "Matt Trainor".

Matt Trainor – M.S., C.P.R.P.
Superintendent

Important Registration Information

This brochure provides a description of programs, facilities and special events offered by the Town of North Castle Recreation and Parks Department. Most classes have limited enrollment and are offered on a first-come, first-served basis. **Programs may be cancelled due to insufficient registration; therefore, early registration is encouraged.**

ALL REGISTRATION will begin on Wednesday, September 7 at 9:00 AM. At that time, you will be able to register online at <https://recreation.northcastleny.com> or in person at the Hergenhan Recreation Center, 40 Maple Avenue, Armonk, NY 10504. Mail-in registrations may not be postmarked prior to 9/7 and will be processed the morning after the day they are received, potentially reducing the chances of getting into the program of your choice. **REGISTRATION IS TAKEN ON A FIRST-COME, FIRST-SERVED BASIS.** Please consider this when choosing your method of registration as North Castle Recreation Staff will not be responsible for classes filling before you are able to register.

-Online Registration Checklist-

- ✓ Make sure you have an established account? Do NOT create a "New" account if you have registered with us before!!!
- ✓ Check that your Username and Password are working?
- ✓ Check to see that all members of your household are on your account? And that their info (Age, Gender, Grade, etc.) is correct? **THIS IS IMPORTANT!!!**
- ✓ **Do all of the above PRIOR to registration morning?!?!?!!**

Having Trouble? Call us at 914-273-3325 and we will help!

Registration in person at the Hergenhan Recreation Center will require a completed Activity Registration Form found in the back of this brochure. Payment in full must accompany registrations; if you are paying by check, separate checks for each program are required and should be made payable to **North Castle Recreation**. There is an additional charge of \$25 CASH on all returned checks. If you are paying by credit card, please complete the information required. Program fees will not be prorated, and program registrations are not transferable to another person. **No phone-in registrations will be accepted.**

Town residents are those who live within the hamlets of Banksville, Armonk and North White Plains and pay taxes to the Town. The programs of North Castle Recreation are also made available to those residing within the Byram Hills School District, yet outside Town boundaries. In many cases, School District residents are required to pay a slightly higher "non-resident" fee than Town residents; although they are given equal priority in the registration process. If there are still openings in programs after Town and School District residents have had an opportunity to register, the Department will consider non-resident applications, at a higher fee on a per program basis.

Senior residents are any Town residents age 60 years or older. Senior residents can register for some Adult programs at roughly a 20% reduced rate.

Notification of acceptance into a program will be made by email. If the registrant does not have an email address on file, notification will be by regular mail. **If you believe you've received no notification by the start of the program, please call our office.** Make sure that all family information listed on your account at <https://recreation.northcastleny.com> is CORRECT and COMPLETE, as this will help ensure your registrations process correctly.

REFUND POLICY

It is the general policy of the Recreation and Parks Department that refunds/credits are not issued except in the cases of class cancellation, illness or injury (of the participant). The Superintendent of Recreation and Parks will review all other requests on a case-by-case basis.

ALL requests for refunds/credits for a class must be submitted in writing to Matt Trainor, Superintendent of Recreation & Parks at mtrainor@northcastleny.com.

ALL requests for refunds/credits made at least seven (7) business days prior to the class start date, if granted, will be subject to a fee equal to 15% of the total class fee.

ALL requests for refunds/credits made less than seven (7) business days prior to the class start date, if granted, will be subject to a fee equal to 25% of the total class fee.

ALL requests for refunds/credits made after the class start date, if granted, will be subject to a fee equal to 50% of the total class fee.

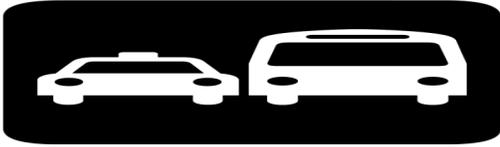

Please familiarize yourself with our Refund Policy **PRIOR** to registering for our programs!

General Information

CONSTANT CONTACT EMAIL NEWS

Stay informed by signing up to receive Recreation News by visiting www.northcastleny.com and clicking on “Join Email Lists” to the left of the page. You can also text “NORTHCASLEREC” to 22828. This is the best way to stay in touch with what is happening in our department!

Transportation to and from recreation programs is the responsibility of the participant or parent/guardian unless otherwise noted. For after school programs, children in grades 1 and above may ride the Activity Bus available by the Byram Hills School District to programs in Armonk.

Busing arrangements for the North Castle Community Center are made with your Child's school in the Valhalla School District and is space—dependent. North Castle Recreation DOES NOT organize the buses.

Byram Hills Activity Bus permission forms are found on the school website, Town website or at the Hergenhan Recreation Center and must be returned to the Recreation Department prior to the start of any program. No child may ride the Activity Bus without having this form on file with the Recreation Department. The parent/guardian must call the Recreation Department if their child will not be attending their program on a given day that they are registered.

In the case of a two hour delay at the Byram Hills Schools, pre-school, youth, adult and senior recreation programs held prior to 12 noon at Hergenhan Recreation Center and other locations in Armonk will be cancelled. Similarly, **in the case of a two hour delay at Valhalla Schools**, pre-school, youth, adult and senior recreation programs held prior to 12 noon at the North Castle Community Center in North White Plains will be cancelled.

If Byram Hills Schools are closed for the day, all pre-school, youth, adult and senior programs throughout the day in Armonk will be cancelled. **When Valhalla Schools are closed for the day**, pre-school, youth, adult and senior programs at North Castle Community Center in North White Plains will be cancelled **except possibly for Open Gym in the evenings at North Castle Community Center**. If we are able to get sidewalks and the parking lot cleared and a staff person to work, we will have regularly scheduled Open Gym time.

If any non-Town program or group reserved a space at Hergenhan Recreation Center or North Castle Community Center and the respective school districts are closed as above, those scheduled meetings or functions will also be cancelled under the same terms as above. We will gladly work with you to reschedule your function at another mutually convenient time. Email notifications will also be sent out to class participants, as well as a Constant Contact message.

Medical Insurance: As an applicant for participation in recreation programs sponsored by the Town of North Castle, it is extremely important that you are aware that the Town **does not** provide medical insurance in such programs. If you do not have a personal medical insurance policy, we urge that you secure one prior to enrolling in any programs. **Persons participate at their own risk and should make certain they have their own insurance.**

Registering Early for Programs increases their chances of Running!

Nothing eliminates a recreation program faster than participants who wait until the last minute to register. There is a point when a program must be cancelled or modified if there is insufficient registration. All programs require a high level of coordination, often including facility scheduling, staffing, volunteer recruitment and purchasing of supplies. **PLEASE REGISTER EARLY!**

Recreation and Parks Facility Rental Information

Park facilities are available to Town residents and local businesses for recreational purposes only. Certain facilities such as a picnic pavilion, ball field or gazebo may be reserved by a particular group on an occasion for a fee. Groups with less than 60% residents pay a non-resident rate. Any organization or individual looking to use park property for the purpose of conducting its business must contact the Recreation Superintendent for special permission and arrangements.

The use of the Hergenhan Recreation Center and North Castle Community Center is open to any group, organization and business located within the Town. Groups with less than 60% residents pay a non-resident rate. The Hergenhan Recreation Center and North Castle Community Center may not be used for any commercial purposes*; political meetings with the exception of debates; religious service functions; or fundraising events, with the exception of activities conducted by the Town; or by any other organization whose proposed activities are consistent with the Town's mission and benefits the residents of the Town of North Castle. *Any organization or individual looking to use a recreation facility for commercial purposes must contact the Recreation Superintendent for special permission and arrangements. The Recreation Department reserves the right to co-sponsor profitable events with a portion of the proceeds going to the Town.

Specific reservation forms, listing reservation fees, rules and policies can be found on the Town website. You can also pick up a reservation form at our office or call us and we will email you a form. **Please contact Matt Trainor with questions at 273-3325 or mtrainor@northcastleny.com.**

In all cases of desiring to reserve a park or recreation facility, reservations will not be held until payment is received and application form is complete. In many cases, a damage deposit will be required. In some cases, a certificate of liability insurance listing the Town of North Castle as additionally insured will be required as well. The only groups exempt from a rental fee are Town Departments, Boards & Committees and groups co-sponsored by the Recreation Department.

SUNDAY MORNING INDOOR SOCCER for Age 15 and up

By Eric Gelb

Futsal is a soccer game played between two teams of five players each, one of whom is the goalkeeper. It's played with a smaller ball with less bounce than a regular soccer ball. The game is fast paced and requires creativity, ball control and good technique. We play with small goals on a basketball court. Indoor soccer shoes (rubber sole), white jersey, black jersey and shin guards required.

EXTREME FLIGHT for Grades 3—5

By [Hobby Quest](#)

Take your building and flying skills to the next level and join us for Hobby Quest's Extreme Flight! This session we are going to build really cool planes that know what it means to be Extreme! Of course every pilot needs to start out with a little training, so first we'll build the J3 Piper, a lightweight balsa wood glider used for training pilots! Next we'll build the ultra-cool balsa wood Airhawk, which was a fighter plane that was used during the Second World War! Next, the super cool glow in the dark UFO is going to magically fly being controlled just by the palm of your hand! Not only will it light up like a real spacecraft, but it will fly as high as 10ft! If that wasn't extreme enough, you'll also be well on your way to knowing everything there is to know about flight when we teach you how planes fly, and what each part of the airplane is for. Pretty soon you'll be ready to start your own flight training!

TOWN CAMPS 2017 TENTATIVE INFORMATION!!!

Tentative / Expected 2017 Camp Dates: Tuesday, June 27 through Friday, August 4

NO CAMP on Tuesday, July 4.

It's never too early to start thinking about summer camp! Specific information on dates and pricing will be available in our **Spring/Summer brochure**, but the below is a basic rundown of what our department offers on a yearly basis!

Camp Kick-A-Poo for 3 - 5 year olds

Camp Kick-A-Poo is a pre-school camp for children entering Kindergarten in 2017, 2018 and 2019 and usually takes place at Coman Hill School. Camp Kick-A-Poo has lots of activities, such as music, arts & crafts, dramatics, fun with food, creative movement, swimming, water play and sports. Campers will participate in special events and enjoy entertainers; they will also put on a camp show at the end of week six. Emphasis is placed on socialization and learning new skills!

Camp Kick-A-Poo 3 year olds, entering Kindergarten in 2019, is divided into 2, three week sessions held from 9am-1pm. Campers must be 3 years old by December 1, 2017 and TOILET TRAINED! It is suggested that campers bring a mid-morning snack and a non-perishable lunch. **Camp Kick-A-Poo 4 & 5 year olds**, entering Kindergarten in 2017 and 2018, is divided into 6 week-long sessions and is held from 9am-2pm. Campers should bring a non-perishable lunch. Reduced rates apply for multiple—camper families!!!

Camp Chippewa for campers FINISHING K - 8th Grade

Camp Chippewa is a diversified program which provides fun and enrichment for your child(ren). **What makes Camp Chippewa different from most day camps is that bus transportation is available for most areas of Town. A bus schedule will be available in mid-June; it can be picked up at the Recreation Department or viewed online.** We pride ourselves in offering an enormous range of activities and programs to our campers. Campers are grouped by age and assigned to the corresponding age-appropriate activities. Chippewa has a variety of Friday special events, trips, cooking, sports and arts & crafts programs. Our counselors are always encouraging when teaching campers new activities. At Chippewa, we believe our activities are an important part of the development of our campers' social, creative and athletic skills. Working and playing together in harmony allows our campers to experience a new and exciting adventure each and every day.

Camp Chippewa, usually held at **Wampus School**, runs for 6 weeks from 9am-3pm. Weather permitting, children swim 2 or 3 days per week. In addition, we provide water and indoor facilities. Families have the flexibility to choose any weekly sessions to accommodate their summer schedule. Reduced rates apply for multiple—camper families!!!

ADULT PROGRAMS

Recreation Programs located in the Hamlet of Armonk take place primarily at the Hergenhan Center on Maple Avenue; however, many of them also occur at other locations—such as Byram Hills Schools (Coman Hill School, Wampus and Crittenden) or Town Parks. Please be sure to note the location of classes you register for to avoid confusion on Class Days!

TUESDAYS:

INTRODUCTION TO OIL PAINTING TECHNIQUES for Adults

By Luis Perez

This course will be dedicated to very basic principles of starting an oil painting. On the first session, we will begin with a discussion of all the materials involved. This will be followed by learning how to prep your canvas, illustration board and/or hard board, and how to set up your palette (we will not stretch canvases). Every session will start with a review and a demonstration. We will cover the most common techniques such as Grisaille, Impasto, Verdaccio, etc. Also, by default, drawing lessons will be offered. You will be introduced to different mediums such as paste medium, driers and accelerators, extenders, etc. We will work from life as well as your personal photographic references. A materials list will be made available upon registration. Due to the limited time and the amount of material to be covered, (and since the focus is on how to start an oil painting), a finished piece may not be possible during class time.

Program #224111B.
