At 7:00 p.m. Supervisor Schiliro called the Special Meeting to review information with regard to the Brynwood Petition to join Water District No. 2 and the following persons were present:

Councilmen:	Stephen D'Angelo

Supervisor Schiliro explained that a PowerPoint presentation has been prepared to present information concerning Brynwood's proposal. In addition to the Supervisor's comments, Sal Misiti, Director of Water & Sewer Operations presented facts, and the Town's consulting Hydrologist, Bill Canavan of HydroEnvironmental Solutions, reviewed his findings.

Supervisor Schiliro summarized three key issues to determine:

- 1) The number of units assigned to the Clubhouse;
- 2) The surplus in gallons per minutes the new well field(s) will offer;
- 3) The financial benefits to Water District No. 2.

The Supervisor stated that the final points will be compiled, and there will be a Public Hearing where additional comments and questions can be heard.

After all persons were heard who desired to be heard, Councilman D'Angelo moved, seconded by Councilman Reiter, that the meeting be closed at 8:35 p.m.
