Re: **Water District No.4 Bedrock well drilling bid opened 2/1/17 (second bid)**

I hereby respectfully request that the Board accept the sole bid for the above referenced project provided by Torlish & Sons. The amount of the bid is \$75,134.00 which would be the worst case scenario should we need to pursue the three (3) designated well sites selected by our hydrologist on Sewer District No.2 property. We are hopeful we find water in our initial attempt.

If you should have any questions or if additional information should be required please do not hesitate to contact me.
