Re: **Water District No.4 well drilling bid opened 12/21/16**

I hereby respectfully request that the Board reject the sole bidder for the above referenced project. Upon discussion with council, it is best to reject the bid due to the bidder's technical omissions and calculation misinterpretations in providing the bid.

In addition, I request to rebid this project immediately.

If you should have any questions or if additional information should be required please do not hesitate to contact me.
