MEMORANDUM

To: Supervisor Schiliro, & Town Board Members

From: Sal Misiti

Date: October 18, 2016

Cc: Joan Goldberg, Town Administrator

Re: **Bids to Repair Three Windmills**

The Board approved our going to bid for the rehabilitation of the three Water District No.2 windmills. Notice to bidders was published on September 29, 2016, with a bid opening date on October 18, 2016. All information, specifications, and construction drawings, have been published on our web site.

Unfortunately, no potential bidders provided proposals for the project for the bid opening. We have no choice but to re-bid the project once again.

You will recall that this project was bid twice during the summer of 2014. But for various reasons all bids were rejected and the project was put on hold during the distribution system replacement project.

If you should have any questions or if additional information should be required please do not hesitate to contact me.
