E-911 caller reports being involved in a dispute with the owner of a nail salon at the listed location. The caller stated that she requested a refund from the other party as she was not satisfied with her services and the other party became upset and "got in her face". The caller stated that she pushed that party away and was pushed back in return. She then left the scene and called 911. The caller stated that she cannot respond to NCPD HQ as she needs to respond to the airport to make a flight and is making this report as a matter of record only at this time. She did not request nor require police response at this time. I advised her to respond to NCPD HQ at a later time if she wishes to provide further information.
