**Wampus Brook Park South**

The Board approved moving forward with a recommendation to the Town Board to move forward with "Phase 1" of the Kellard Sessions proposal to develop Wampus Brook Park South. This is a starting phase that MUST be done in order to develop the parcel. Phase 1 will identify permitting needs, provide a survey and base map, give 2 detailed to-scale sets of plans and produce a budget for the project as a whole. Once Phase 1 is complete, we will be able to decide whether or not the project as a whole is financially feasible.

**Next meeting is Tuesday, July 1<sup>st</sup> at 6:15pm**
