WHEREAS, the Planning Board has inspected the site and is familiar with the nature of the site, the surrounding area, and the proposed development; and

WHEREAS, the Planning Board has requested, received, and considered comments from the Town Attorney, Town Engineer, and Town Planner regarding the proposed development; and

WHEREAS, the requirements of the Zoning Ordinance of the Town of North Castle have been met by said application; and

NOW THEREFORE BE IT RESOLVED, that based upon its review of the full environmental record finds that the proposed action will not result in any significant adverse environmental impacts and hereby adopts a Negative Declaration pursuant to the requirements of Article 8 of the New York State Environmental Quality Review Law and 6 NYCRR Part 617; and

BE IT FURTHER RESOLVED that, the application for site plan approval shall be and is hereby conditionally approved, subject to the following conditions and modifications; and

BE IT FURTHER RESOLVED that, this site plan shall expire one (1) year after the date of this resolution unless all of the conditions and modifications identified below have been substantially completed or an extension of time has been requested by the applicant or granted by the North Castle Planning Board.

Prior to the Signing of the Site Plan:

(The Planning Board Secretary's initials and date shall be placed in the space below to indicate that the condition has been satisfied.)

- _____ 1. The submitted plans shall be revised to contain the seal and signature of the professional preparing the plans to the satisfaction of the Planning Department.
- _____ 2. The Applicant shall submit a fully complete Application for Site Development Plan to the satisfaction of the Planning Department.
- _____ 3. Payment of all applicable fees, including any outstanding consulting fees.
- _____ 4. The applicant shall submit to the Planning Board Secretary two sets of plans (with required signature block at lower right corner of plan sheets) incorporating all required amendments to the plans as identified in this resolution of approval to the satisfaction of the Town Planner, Town Engineer and Town Attorney.

Prior to the Issuance of a Building Permit:

(The Planning Board Secretary's initials and date shall be placed in the space below to indicate that the condition has been satisfied.)

- _____ 1. The Applicant shall provide a plan for the operation and maintenance of the solar installation to the satisfaction of the Building Department. The plan shall include measures for maintaining safe access to the installation, adequate security as well as general procedures for operational maintenance of the installation.
- _____ 2. The Applicant shall submit confirmation that a copy of the project summary, electrical schematic, and site plan have been submitted to the Banksville Fire Chief. In addition, upon request, the Applicant shall cooperate with emergency service providers in developing an emergency response plan. All means of shutting down the solar installation shall be clearly marked in the plan and in the field. In addition, the Applicant shall identify a responsible person for public inquiry throughout the life of the installation.
- _____ 3. The approved site plan shall be signed by both the Planning Board Chair and Town Engineer.
- _____ 4. The submission of a complete set of building plans for review and approval by the Town Building Inspector prior to the issuance of a building permit.
- _____ 5. Payment of all outstanding fees, including professional review fees.

Prior to the Issuance of a Certificate of Occupancy/Compliance:

(The Planning Board Secretary's initials and date shall be placed in the space below to indicate that the condition has been satisfied.)

- _____ 1. Submission to the Planning Board of a suitable legal agreement, in form satisfactory to the Town Attorney, assuring the Town that the applicant will deposit cash or file a surety bond or other security acceptable to the Town Board (such as a Letter of Credit) for the removal and restoration of the site should the solar collector cease to perform its originally intended function for more than 12 consecutive months. The amount of said bond or other security shall be determined by the Town Board.

In the event that the issuer of the bond or other security furnished to the Town hereunder becomes insolvent or, for any reason, disaffirms the validity of such security, the applicant shall notify the Town Board immediately and replace the invalid security with a new bond or other security acceptable to the Town Board within thirty (30) days thereafter. The existence of a valid bond, letter of credit or other security shall be a condition precedent to the validity of any permits issued or to be issued in connection with this approval.
