RE: 100 Business Park Drive
TM 108.03-1-51

Dear Chairman Carthy and Members of the Board:

On behalf of the owner of 100 Business Park Drive, A&R Real Estate Holdings LLC, this letter is to request placement on the next Planning Board agenda for discussion of fill proposed to be placed at the subject site. There is a site currently in construction in Pleasantville that has excess fill that requires removal. As part of the proposed warehouse construction at the referenced site, there will be a need for substantial fill. We are requesting that the Board consider placement, at 100 Business Park Drive, of up to 5000 cubic yards of fill from the offsite location.

Additional details can be provided, as necessary.

Thank you in advance for your consideration.

Sincerely;

Curt M. Johnson, RA
