RE: 18 CAROLYN PLACE – ARMONK, NEW YORK

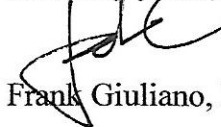

Dear Mr. Kaufman.

This is to certify that all plantings and mitigation have been inspected via aerial drone over flights at 18 Carolyn Place, and by observation from neighboring property.

As per the plan approved by the Planning Board,
Titled: TREE REMOVAL AND STREAM PROTECTION PLAN,
Including TREE RESTORATION PLAN.
By Frank Giuliano, Landscape Architects.
Dated February 1, 2017 and revised March 3, 2017.

All plantings and mitigation appear to be alive and thriving.

Sincerely yours,

Frank Giuliano, RLA
