The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on October 15, 2019.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- Portions of the fence are proposed within a sewer easement. Prior to the issuance of a building permit, the Building Department shall confirm that the Water and Sewer Department does not have any issues with the fence installation.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
