---

The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on July 2, 2019.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- A detail of the proposed gate shall be submitted.
- The Town Engineer should determine whether the on-site stream is a regulated wetland. If so, an administrative wetlands permit may be required for a portion of the proposed fence.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
