The above referenced application was reviewed by the Residential Project Review Committee (RPRC) on January 7, 2020.

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The site plan shall be revised to depict the height of each fence type.
- The site plan shall be revised to include a note stating that Town-regulated tree removal is not proposed.
- The Applicant should submit details or manufacturer's cut sheets for the deer fence and stockade fence.
- The Applicant shall demonstrate that the fences meet minimum pool fence requirements to the satisfaction of the Building Department.

At this time you may coordinate directly with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
