The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

- The Applicant should provide a mitigation plan for the area of disturbance. It is recommended that a wildflower meadow be planted in the area of disturbance.

At this time you may submit a building permit application directly to the North Castle Building Department.
DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
