RPRC DECISION: RPRC - Submit to Building Department

---

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- If Town-regulated tree removal is not proposed, a note stating such should be added to the plan. If Town-regulated tree removal is proposed, the Applicant will need to return to the RPRC for further review.

At this time you may file a building permit application with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
