RPRC DECISION: RPRC - Submit to Building Department

---

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- It is recommended that pursuant to Section 308-15.A(11) of the Town Code, the Applicant plant a new native deciduous tree (3" to 3.5" caliper), of the Applicant's choosing, in the front yard.

At this time you may file a tree removal permit application with the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
