Dear Sal,

Congratulations, the Town of North Water District #2 Distribution System Replacement Project has been selected to receive the 2016 Westchester Water Works Conference Advancement Award. The Conference commends the District's hard work and accomplishments in upgrading the distribution system to provide a long term solution to pipe failure.

The award will be presented to the Town at the Conference's 75th Annual Fall Meeting on Wednesday, October 5, 2016 at the Travelers Rest in Ossining.

Please provide a brief (5 minutes or so) presentation on the project at the fall meeting.

Sincerely,

Kevin Winn
Resources Committee Chair
