2. B. PUBLICLY-TRADED CORPORATIONS: List any publicly-traded corporation in which you or a [Relative](#) have a direct or indirect [Interest](#) (including owning 5% or more of the outstanding stock or as a director, officer or employee), which to the best of your knowledge and belief has any application, request, interest in any proposal, or claim before a Town of North Castle department, board or committee or any litigation, negotiation or other matter requiring the exercise of discretion to which the Town of North Castle or one or more of its departments, boards or committees is a party. The term “[Interest](#)” includes any financial or material benefit or thing of value, except for such things which are generally available to all residents or taxpayers, or even a large group of such individuals. Financial or material benefits may be received or provided directly, but they also include such benefits that are received or provided indirectly.

For organizations other than a publicly traded corporation, an example of a “direct” [Interest](#) is where a town official, employee or volunteer is a partner, member or has another type of ownership interest in that organization or is a director, officer, manager or employee in such an organization. For organizations other than a publicly traded corporation, an example of an “indirect” [Interest](#) is where that town official, employee or volunteer holds that same [Interest](#), but through one or more organizations or through one or more trusts — either as a grantor, beneficiary or trustee.

I certify that the answers given above are true to the best of my knowledge and belief, were made in good faith, and I understand that any false or incomplete statement on this Disclosure Statement would constitute a violation of the North Castle Code of Ethics.
