Re: **Sewer District No.2 ---2024 Annual Sludge Hauling & Disposal**

On November 22, 2023 at 11:00 AM sealed bids were opened in the office of our Town Clerk for SD2 annual sludge hauling services. The results are listed below:

Company/Bidder	Russell Reid Waste Hauling & Disposal Service	Spectraserv, Inc.
Price per gallon	0.2138	0.1692
Price per 6,000-gallon load	\$1,282.80	\$1,015.20

On October 26, 2023 a Notice to Bidders was published in the Journal News in addition to electronic distribution of specifications to potential vendors. Specifications were also posted on the Town Webs site and available in the Town Clerk's office. Based upon the results, I recommend awarding the bid to Spectraserv, Inc. It just so happens; they are our current service provider.

I respectfully request that the Sludge Hauling contract be awarded to Spectraserv, Inc and authorize the Supervisor to sign the contract agreement.

If you should have any questions or if additional information should be required, please do not hesitate to call.
