Re: **Sewer District No.2 ---2022 Annual Sludge Hauling & Disposal**

On November 29, 2021 we opened bids for our annual SD2 sludge hauling. The result is listed below:

Company/Bidder	Spectraserv, Inc.
<i>Price per gallon</i>	0.148¢
<i>Price per 6,000 gallon load</i>	\$888.00

On November 4, 2021 a Notice to Bidders was published in the Journal News in addition to electronic distribution of specifications to potential vendors. Specifications were posted on the Town Webs site and also made available in the Town Clerk's office. In light of the results being provided by a sole bidder, who just so happens to be our current contractor, I would recommend awarding the bid to Spectraserv, Inc. Their bid price is slightly higher than their current fee, but not enough to cause an impact on our SD2 2022 budget.

I respectfully request that the Sludge Hauling contract be awarded to Spectraserv, Inc and authorize the Supervisor to sign the contract agreement.

If you should have any questions or if additional information should be required please do not hesitate to call.
