Date: December 2, 2019

Cc: Kevin Hay, Town Administrator
Roland Baroni, Jr., Town Attorney

Re: **Rebid Sewer District No.2 ---Annual Sludge Hauling & Disposal**

On November 27, 2019 we opened bids for our annual SD2 sludge hauling. The results are listed below:

Company/Bidder	Spectraserv, Inc.	Fred A. Cook	Russell Reid
<i>Price per gallon</i>	0.15¢	0.15¢	0.1597¢
<i>Price per 6,000 gallon load</i>	\$900.00	\$900.00	\$958.20

In light of the low bidder results being a tie, which we have never experienced in all the years of bidding this service, and based upon the results we will need to reject the bids and do a quick rebid. Spectraserv currently has the contract for Sludge Hauling & Disposal which expires 12/31/19. To avoid a conflict with our sludge removal schedule and overall Treatment Plant operations, we need to extend their current contract for approximately a month until we get the rebid numbers back and award a new contract.

If you should have any questions or if additional information should be required please do not hesitate to call.
