MEMORANDUM

To: Supervisor Schiliro, & Town Board Members

From: Sal Misiti

Date: February 24, 2017

Re: **Results of RFP for Purchase of Line Shaft Vertical Turbine Pump**

I prepared an RFP for the purchase of Line Shaft Vertical Turbine Pump which is a replacement of an existing pump located in Water District No.4 IBM South Well. The existing pump has been in operation since early 2011. As I am currently out to bid for the rehabilitating of the South Well this new pump will be installed once the job is completed.

The RFP proposal was made available to various suppliers and also published on our web site on February 7, 2017. The RFP was opened on Thursday, February 23, 2017. Results of the submitted proposals are illustrated in the table below.

WD 4---Line Shaft Vertical Turbine Pump					
Supplier	SB Church	D & S Pump	Technology Int., Inc.	G T Smith	G A Fleet
Proposed \$	\$15,400.00	No Proposal	\$20,546.00	No Proposal	No Proposal

Based upon the results, I recommend that the Board accept the proposal from SB Church in the amount of **\$15,400.00**. Funds for this expenditure are available in the WD4, 2017 operating budget.

If you should have any questions or if additional information should be required please do not hesitate to contact me.
